

ECO-QUEST

WHAT IS ECO-QUEST?

ECO-QUEST STRIVES TO EDUCATE CHILDREN AND YOUNG ADULTS ABOUT THE IMPORTANCE OF BUILDING GOOD SUSTAINABILITY HABITS. USING A REWARDS SYSTEM THROUGH PARTNERSHIPS WITH BUSINESSES, WE AIM TO REWARD USERS WHO ACTIVELY PRACTICE LIVING SUSTAINABLY. WE ASPIRE TO CREATE AN IMPACT ON K-12 SCHOOLS AND COLLEGE UNIVERSITIES BY PROVIDING EDUCATIONAL CONTENT PAIRED WITH COMPETITIONS AS A UNIQUE SOLUTION TO A STANDARDIZED RECYCLING PROGRAM FOR SCHOOLS.

OUR MISSION

ECO-QUEST WAS CREATED TO PROMOTE ENVIRONMENTAL RESPONSIBILITY THROUGH AN INTERACTIVE GAME AND REWARDS SYSTEM. WE ARE PASSIONATE SPREADING ENVIRONMENTAL EDUCATION OF THE LIVING SUSTAINABLY IN HOPES OF CREATING A GENERATIONAL IMPACT. WITH YOUNGER GENERATIONS TAKING A MORE ACTIVE ROLE IN ENVIRONMENTAL LEADERSHIP, WE SEE THIS AS AN OPPORTUNITY TO REVOLUTIONIZE THE INVOLVEMENT TAKEN BY POSTERITY IN SUSTAINABILITY.

OUR TEAM

SAFIA MENDEZ 3, SAINT LEO UNIVERSITY, 2024

LUAN NGUYEN 2, UNIVERSITY OF HOUSTON, 2023
